NUMBER 8

Local Rotary Club Hears District Governor Monday

Wallace Moseley, of Selma, governor of the Rotary district of this area, addressed the local Rotary Club recently during his official visit. The local club is one of 38 Rotary Clubs in this district.

Speaking of the global growth of Rotary, he said, "Rotary is the pioneer of the service clubs and today numbers more than 12,000 clubs with a combined membership of 580,000 business and professional men. Spread throughout 128 countries in all parts of the world, Rotary Clubs meet everyday of the week and conduct activities to improve their communities, aid youth, elevate business standards, and further international friendship and understanding."

The district governor also conferred with Doctor V. D. McCreary, local Rotary Club President, and Mr. Herschel Taylor, Club Secretary, on matters of club administration and plans for future service activities.

Referring to the program of C.P.H. Teenstra of The Netherlands, president of Rotary International for 1965-66, the Rotary Governor said, "Rotary Clubs world-wide have been urged by President Teenstra to translate plans into action for the global advancement of the program of Rotary. He also continued for its third year a program linking Rotary districts in different parts of the world as a means of encouraging Rotary Clubs and individual Rotarians to understand one another better by working together on mutually helpful projects."

During his visit the Rotary official was given additional information on some of the local Rotary Club's activities, including aid to the Crippled Children's Clinic and the proposed deer hunt.

Concerning the activities of this Rotary district, he outlined his plans for the naming of the outstanding Rotary Club of District 688 for the 1965-1966 Rotary year. The president of the club chosen as the outstanding club in District 688 will be awarded a trip to Jamaica. His wife will accompany him on the trip.

GETTING STRAIGHT last Monday on the activities of the local Rotary Club are Ralph Dickard of Brundidge who is Special Projects Chairman for this Rotary District, Wallace Moseley, District Governor of District 688 and Dr. V. D. McCreary, president of the Elba Rotary Club.

License Now On New Enterprise College Sale Says Judge To Open Soon English

Most classroom teachers have been approved for the new Enterprise Junior College, which will open this fall. Probate Judge J. O. English announced today that residents can buy their Store License, Privilege License, Fishing License, Hunting License and Boat License for the coming year now. Every subject will not be in effect until October 1st, it will keep you out of the rush. Car tags will not be on sale until October 1st.

COFFEE COUNTY WATCHING FOR LITTERBUGS

The Coffee County Commissioners have taken definite steps to stop the cluttering of the highway right of ways in Coffee County by careless or thoughtless motorists.

If the state law were taken literally, a motorist could be fined \$50 if a child dropped a gum wrapper out of the window of the car, or if the wind blew a loose sheet of paper out of the window.

The commissioners say they just want the public to be more careful with their trash, and make Coffee County a prettier place in which to live.

New Brockton Thanks All Who Helped

This newspaper received a news release last Saturday from Mayor John Helms, of New Brockton, thanking everyone who had a part in making the homecoming for Miss Alabama a success.

Mayor Helms was overflowing with praise to this newspaper, the various civic clubs, the businesses that loaned materials and to the Mayors and Council-

Legion To Meet Tonight At Hut

The regular meeting of Culver Post #42 of the American Legion and the Ladies Auxiliary will be held Thursday night (tonight) at 7:00 in the Legion Hut on the Troy Highway.

men of Elba and Enterprise for their support to the law officers of the entire county for a wonderful job of traffic control and he closed by thanking Mrs. Joe B. DeVane for a marvelous job as overall chairman for the City of New Brockton.

Mayor Helms named a number of people and businessmen that had helped with the materials and arrangements and added that he would like for us to "add any more that I have left out." To prevent anyone from being left out (everyone helped at sometime or another) we just convey the mayor's thanks to everyone.

Quarterback Club To Meet Tuesday

There will be a meeting of people interested in becoming members of the Elba Quarterback Club on Tuesday night at 7:15 in the front office of Sawyer Candy Company.

The main order of business will be to elect new officers and plan the activities for the coming year. The Quarterback Club dues are only \$5.00 and this money and other money made from the rental of pillows at all home games goes to feed the players, furnish rides for out of town boys, and construct facilities such as the rest rooms at the stadium and refinishing the floors of the school gym.

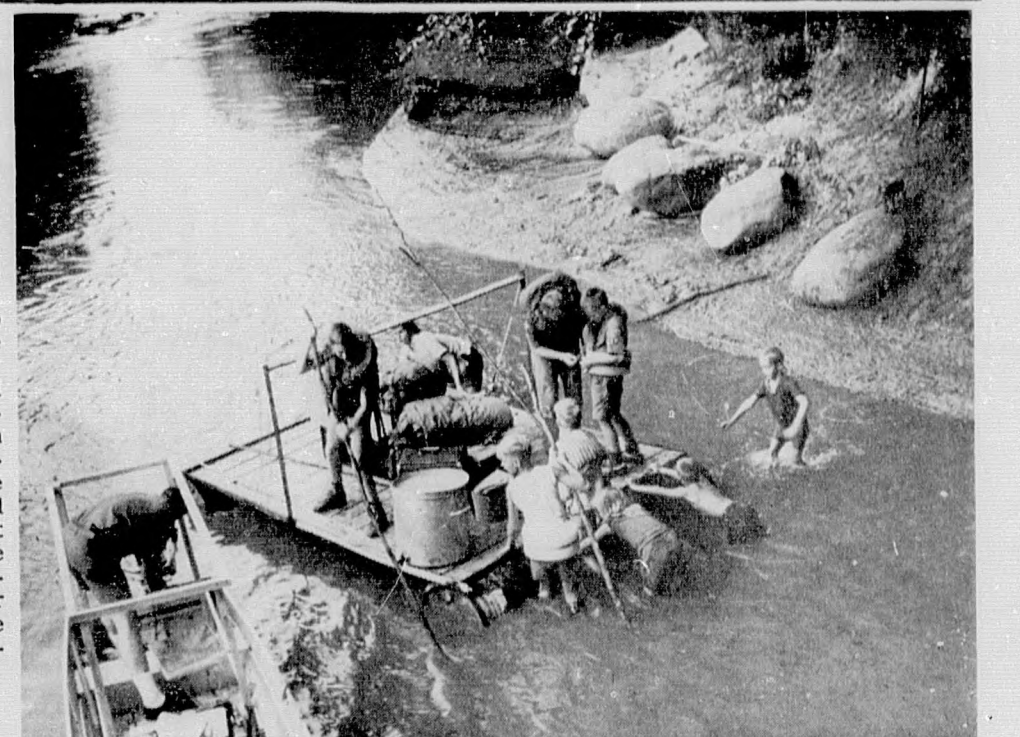

COLLEGE ENROLLMENT UP IN ALABAMA

The college campuses in Alabama are braced for the largest enrollment in history, come September. Each school that has sent releases to the news media reported dormitories full, more teachers hired and new buildings being built as fast as possible.

All schools cut off admissions several months ago and are already receiving applications for next fall from students who will be seniors in high school this year.

School Bonds Sold This Week

The City Council opened bids Tuesday night on a bond issue for the construction of the new school building. Hugh Marx and Company were the lowest of the three bidders with an interest rate of 4.02971. The bond issue for \$373,000 will be paid back over a period of 30 years beginning in 1966.

THE FIRST raft of Boy Scouts cast off for the four day voyage down Pea River. Things were a bit shaky for a few minutes but they survived the trip and dumped their supplies in the river only once.

THE ELBA Boy Scouts are on their way only twenty minutes after their scheduled departure time and these boys show promise of people all set to enjoy themselves. Reports indicate that the hot sun did not slow them at all-they just slipped into the water behind the raft and stayed cool.

New College Looks Like A Success

If the pre-opening activities of the Enterprise Junior College are any indication of its future success, then we can expect this to be among the best Junior Colleges in the state because President B. A. Forrester and his assistants are busily assembling the necessary materials and personnel to open this new school in first class condition and they want the people in the Wiregrass to know it.

Mr. Forrester is an able and conscientious man and it looks as if some of his enthusiasm is rubbing off on all those with whom he talks. There have been a number of scholarship grants, book donations and outright cash donations already from civic clubs and individuals.

Dunaway Is New Elba Police Chief

The Elba City Council voted Tuesday night to hire I. F. (Bo) Dunaway as Police Chief to replace Jack Smart, who resigned recently. Dunaway is a former Police Chief in Elba and has held the position of Chief in at least two other cities. He owns a home in Elba.

We left from below the dam at twenty minutes after seven, Tuesday morning. We stopped at a sand bar about eleven-thirty to prepare and eat lunch. We then cleaned up and started up the bank to the waiting one-forty five and enjoyed ourselves swimming for about thirty minutes.

Jack Hudson was left on a limb hanging over the river after getting off the raft to free it from the limb and had to swim to catch up with us. We reached Ballard Bridge at three-fifteen and after swimming for a few minutes began to set up camp and prepare supper.

THURSDAY

We left camp at twenty minutes after eight. We stopped at eleven-fifteen for dinner. We stopped about five-thirty and made camp for the night. Jack Hudson and Johnny Foreman climbed a tree to get some wild scuppernongs and fell out of the tree. Today we went through a lot of rough water. One raft tilted and most of the supplies slid off and got wet. Only a few things were lost or ruined.

THURSDAY

We had pretty good going today. The water wasn't very rough. We left camp at twenty minutes 'til seven. We stopped at twelve o'clock under the Samson, Kingston Highway Bridge.

We camped for the night at Stokes Bridge. FRIDAY This morning it is time to leave the river and return home and it was a rather tired but happy group of boys that climbed up the bank to the waiting parents for the return to Elba.

Everyone enjoyed themselves and we all plan to make the next trip and we can again apply the things we learned on this trip. Boys completing the trip were: Johnny Foreman, Daniel Stephens, Jack Hudson, Buddy Foreman, Joe Prior, Mark Vaughan, Mike Bullard, Charles Crosby, and Dennis Johnson. Scoutmaster accompanying the boys was Bill Bullard.

Tigers To Play In Jamboree

The Elba Tigers will be playing their best foot forward Friday night in Luverne when they tangle with the Brundidge eleven in the Football Jamboree at approximately 8:00. Each game will consist of two ten minute halves.

There is a legal notice in this issue of the Clipper advertising for bids to build the new school.

THE 1965 ELBA TIGERS ARE - Front row left to right, Johnny Martin, Tommy Stuckey, Larry Jacobs, Brice Paul, Jimmy Hart, David Innman, Babba Bruce, Johnny Shapless, Dick Flowers, and Merrill Shirley. Second row left to right, David Blackmon, Lonnie Jones, Clarence Sexton, Steve Stuckey, Steve Mackey, Ed Wise, Al English, Stan Marsh, Frank Clark, Hutch Oggs, Gary Harrison, and Jimmy Skinner, Manager. Third row left to right, Eddie Bryan, Robert Bowden, Jerome Ward, Bruce Nelson, David Stokes, Tommy Dewberry, Glenn Bedsole, Mike Russell, Jerome Blackmon, John Lawless, and Levy Boutwell, Manager. Fourth row left to right, Neil Davis, Ronnie Nicholson, Jerry Brown, Ricky Parker, Larry Grantham, Steve Bragg, Joel Innman, Joe Free, Larry Moore, and Al Davis. Coaches are Wendall Hart, Roland Powell and Ray Flowers.

Delta Kappa Gamma Holds Meeting At Country Club

Psi Chapter of Delta Kappa Gamma held a breakfast meeting at the Country Club Friday morning, August 27. Hostesses were Mrs. Marie Bates, Mrs. Kathryn White, Mrs. Nancy Osse, Mrs. Addie Brunson, Mrs. Clara B. Prescott, Miss Eunora Hayes, Mrs. Katharine Farris, Mrs. Ruth Hawley, Mrs. Kathryn Kins, Mrs. Jean Johnson, Mrs. Martha Benson, Mrs. Ethel Larkins, Mrs. Mary Ringdorf, and Mrs. Elba Kendrick.

Mrs. Roberta Tomberlin, chapter president, presided over a business session preceding the breakfast. Mrs. Tomberlin was assisted by Mrs. Olla Tillman, Mrs. Ione Wise, Mrs. Virginia Sanders, Mrs. Anna Belle Wilkes, Mrs. Doris Mrs. J. E. Jernigan, who has recently retired from a position at University of Alabama, Mrs. May Bryan Hayes, and Mrs. Ethel Johnson, all of New Brock-Gamma regional convention held in Norfolk, Virginia in July.

Mrs. Carolyn Ellis reported that Miss Venita Moates, of Enterprise, had applied for Psi Chapter's scholarship fund for the next year. Miss Moates was given unanimous approval by those present. Miss Mollie Belle Sawyer gave the report for the Committee on Research.

Miss Leonidas Jones spoke on "Steps Toward European Unity".

The meeting was closed with the reading of the "Collect" led by Mrs. Jessie Windham.

Members attending not

MR. AND MRS. BOBBY LAMAR DEVANE

Miss Harriet Martina Waldrop and Bobby Lamar Devane, both of Opp, were united in marriage on August 12. The ceremony was held in the First Methodist Church, of Opp.

The couple is making their home in Dothan and both will be members of the Rehobeth Baptist church.

Parents of the couple are Mr. and Mrs. Clarence Waldrop and Mr. and Mrs. Woodrow Devane, of Opp.

him is a clown—that is his business. He can always do the wrong thing at the right time.

But him is no fool. Out of the circus ring he always tries to do the right thing at the right time. Those winter Sundays in Florida, before the show goes on the road, you might sit next to him in church, and never know he is a clown.

And even though on the road, when Sunday is moving day, him gets out his old worn Bible and his teacher's guide, and with his own kids, and with all the other "show" kids gathered round him, there is Sunday School on the circus train.

You see, him is a Christian, living his faith through all the complications of a strange occupation. He is not a mask—he is him. He is the churchman of a circus train—the Sunday School teacher of show business. He knows when to put fun and frolic aside, and turn to the Truth by which we live!

The Church invites you and your family to worship next Sunday and every Sunday.

bridegroom is the son of Mr. and Mrs. Arthur Brzon, of Belleville, Kansas.

The church was decorated with arrangements of pink and white gladioli, mums and palms. Tree Wanda-labre decorated with rose ribbons held white burning tapers.

Soloist was Reverend William Adkins, of Enterprise, who sang "I Love You Truly" and "Whither Thou Goest". Miss Faye Allen, of New Brockton, was pianist.

The bride, given in marriage by her father, wore a nylon organza gown with a fitted bodice of chantilly lace. The bodice featured a scalloped neckline outlined in natural design of the lace, re-embroidered with iridescent and long tapered sleeves. The controlled skirt was trimmed with lace appliques. Soft bows and streamers decorated the back waist and open pleats added fullness to the whisper train trimmed with lace appliques.

Her veil of tiered illusion fell from a crown of seed pearls. She carried a bouquet of miniature mums accented with a white orchid.

The bridesmaids wore street length dresses of rose embossed peau de soie, with matching headpieces of net attached to a crown similar to the bride's. The bridesmaids were Misses Merle Childs and Molly Burck. Brides-matrons were Mrs. Pomroy Howell and Mrs. Wayne Watson. Miss Lane Locklar was maid of honor.

The flower girl, Terri Lynn Hickman, cousin of the bride, wore a rose embossed dress of peau de soie with an overskirt of chiffon. Her veil was identical to the other attendants. Lamar Wood, cousin of the bride, was ring bearer and carried the rings on a satin pillow.

Best man was George Brzon, brother of the groom, of Belleville, Kansas. Groomsmen were Herbert Hildebrand, J. B. Murphy, Fort Rucker, Pomroy Howell, Elba, and Joel Adkison, brother of the bride. Ushers and candle-lighters were Billard Hodges and Tex Gilliland, Fort Rucker.

Mrs. Braxton Adkison, mother of the bride, wore a two piece dress of beige lace and her corsage was yellow carnations. Mrs. Arthur Brzon, mother of the bridegroom, wore a stone blue lace dress with a corsage of pink carnations.

The reception was held in the fellowship room of the church. A white lace cloth over pink covered the bride's table. The table was centered with a four tiered wedding cake decorated with pink roses and topped with a miniature bridal couple.

Mrs. George Scott registered the guests. Mrs. James Burkett and Mrs.

Miss Roebuck, Mr. Taylor To Marry

The announcement of the engagement of Miss Martha Jane Roebuck to Don Hugh Taylor, son of Mr. and Mrs. Taylor, of Belleville, Kansas.

Miss Roebuck was graduated from Semmes High School and is presently employed by the Merchants National Bank of Mobile.

Mr. Taylor was graduated from Semmes High School where he was class president his senior year. He attended Auburn University where he majored in Business and Finance.

He is presently attending the University of South Alabama, and is employed by the Merchants National Bank of Mobile.

An early fall wedding is planned by the couple. The groom is the grandson of Mrs. Julian Taylor and the late Mr. Taylor, of Elba.

Ray Goodson presided at the punch bowl. Their dresses were identical to the bridesmaids' and their corsages were white carnations.

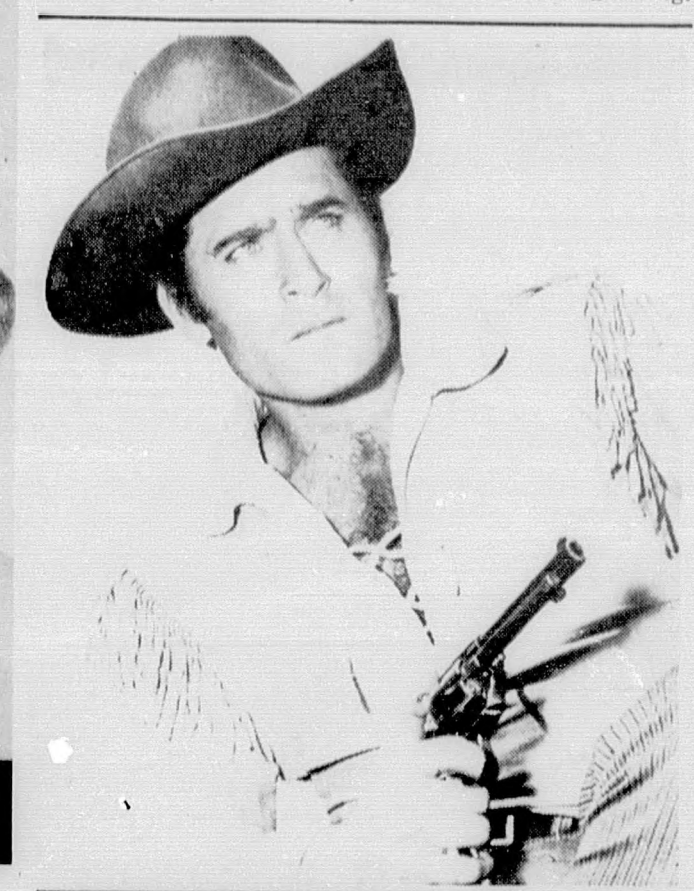

After a wedding trip to the Carolinas and Kansas, the couple will reside in Elba until late fall and then they will make their home in Belleville, Kansas.

Out of state guests included Mrs. Julian Taylor, Brzon, Mr. and Mrs. Kansas.

MISS MARTHA JANE ROEBUCK
Bride-Elect

Bryan, and Mr. and Mrs. Mississippi. Alvie Gilmore last week.

... about your SOCIAL SECURITY ...

Low-income farmers may be affected by the change made in the optional method of reporting income for social security purposes. The gross income amount on which the optional method of reporting is based has been changed from \$1,800 to \$2,400. Harry N. Scott, social security district manager in Dothan announced this week.

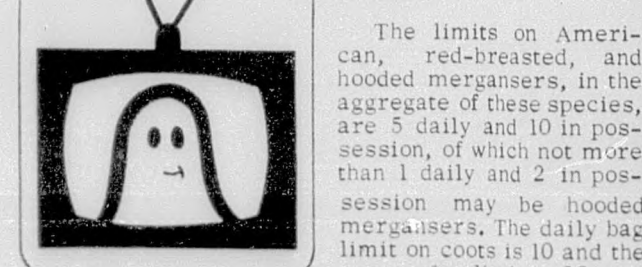

This means that the amount of net earnings from self-employment that can be reported by farmers under the optional method as much as \$1,600 for taxable years ending after 1965. Previously, a farmer could report no more than \$1,200 a year under this provision.

Under the new provision, if a farmer's gross income is over \$2,400 and his net farm earnings are \$1,000 or less during a taxable year, he may report his net earnings for social security purposes as \$1,000, or he may report his actual net; if his net earnings are over \$1,000, he must report his actual net earnings.

If a farmer has gross income of \$2,400 or less in a year, he may count either his actual net earnings or two-thirds of his gross farm income as his net earnings from farming.

If a farmer receives benefits reports under the new optional method and

FACTS YOU SHOULD KNOW ABOUT VITAMINS
They are not a food and have no caloric values. But they are absolutely essential to healthy living. They are the "spark" which causes the body to properly perform some of its functions.

CAN YOU GET ENOUGH IN YOUR FOOD?
Yes, you can — IF — and it's a big IF because you must eat an ample variety of different foods, which include sufficient fruits and vegetables. This is not easy, for cooking destroys some of the vitamins and the older fruits and vegetables become more of their vitamin content is lost.

MODERN LIVING LOWERS VITAMIN INTAKE
A recent medical survey disclosed that large numbers of teenagers had poor health because of vitamin loss from eating improper food. Too many were getting hurried snacks instead of complete meals. Many adults do the same.

A MULTIVITAMIN PREVENTS A DEFICIENCY
You can insure against a lack of any of the necessary vitamins by taking a reliable, high quality vitamin capsule or preparation daily.

PHYSICIANS FREQUENTLY PRESCRIBE LARGE DOSES OF A PARTICULAR VITAMIN TO HELP CERTAIN ALIEMENTS. But no one should take such treatments without a physician's advice. For example, large amounts of Vitamin D can cause harm.

WE CAN ANSWER VITAMIN QUESTIONS
Pharmacists are taught their uses, proper dosage and how to protect their potency. We have dependable vitamins which can prevent any harmful vitamin deficiency. Now is a good time to start taking them before winter weather lowers your resistance to sickness.

Pulpwood Briefs

Pulpwood is harvested in 90 percent of the counties in the 12 Southern states. In 1964, 28 Southern counties harvested more than 100,000 cords of pulpwood apiece.

Pulp and paper companies and pulpwood suppliers in the South planted more than 200 million tree seedlings during the 1964-65 season. The total included 25 million seedlings given by the industry to farmers and other individual landowners.

As of the end of 1964, the South had 82 pulp and paper mills in operation, with a total daily capacity of some 56,000 tons.

Conservation Director Claude D. Kelley announced today that Alabama hunters will be permitted 40 days of hunting this season which is the same as last year.

Kelley said the hunting season on ducks and coots will run from December 1 to January 9, which is the latest date allowed by the U. S. Fish and Wildlife Service for the 14 states in the Mississippi Flyway.

The duck bag limit will be four a day and eight in possession. However, the daily bag limit of ducks, other than mergansers, may not include more of the following species than: (a) 2 wood ducks; (b) 2 canvasbacks; (c) mallards; and (d) pintails.

The limits on American red-breasted, and hooded mergansers, in the aggregate of these species, are 5 daily and 10 in possession, of which not more than 1 daily and 2 in possession may be hooded mergansers. The daily bag limit on coots is 10 and the possession limit is 20.

WIND CREEK PARK

Vacations and week-end trips with camping gear are becoming more popular these days and so is Wind Creek Park near Alexander City. If any one spot in Alabama has everything to make the camper feel "at home" it is this vacation paradise.

Here are just a few of the reasons thousands of Alabamians and out-of-state travelers stop there each month. There are 1,000 campsites with electricity, deep-well running water and toilet facilities; 500 barbecue pits and tables, miles of white sandy beaches on crystal clear Lake Martin and at least a dozen more modern conveniences including a sight-seeing boat and six miles of horseback riding trails.

Being right on the shores of a 50,000-acre lake you can expect all types of water sports including boating, fishing, skiing and swimming.

In 1965 Wind Creek Park was the site of the National Campers and Hikers Association Convention and more than a thousand persons stayed there for the event.

For the historically minded camper Wind Creek Park is located at the spot where the Wind Tribe of the Creek Indians lived. It is also the place where Chief Menawa of the Creek Nation was found wounded after the battle at Horseshoe Bend and was nursed back to health. The day before, forces of Andrew Jackson had fought a bitter battle which broke the backs and the spirits of the Creek Nation of the state. If you need directions just travel south of Alexander City on Alabama Highway 63 and then follow the signs.
